WHY A CRISIS PREGNANCY CENTER?

Since the 1973 Supreme Court decision which legalized abortion on demand, almost every woman with an unwanted pregnancy is faced with the option of abortion. Nationally nearly 46 million abortions have been performed since 1973, with one-third of all pregnancies now ending in abortion. As Christians, we feel that we have a threefold responsibility to the unborn child, to the woman, and to the society that embraces abortion as a way of life.

Our concern for the unborn child arises from the knowledge that all of the Biblical and scientific evidences point to the fact that human life begins at conception and that each fetus being "terminated" is a unique individual made in the image of God.

WHAT IS THE YORK CRISIS PREGNANCY CENTER?

We are a locally organized and funded ministry which provides alternatives to abortion. The YCPC ministry takes seriously the challenge of Matthew 25:31-46 to reach out to those in distress with acts of mercy and compassion. It brings the resources of the local church and the community to bear upon the problems faced by the pregnant woman. The YCPC is governed by a local board of directors, representing a variety of evangelical churches. The executive director supervises a staff of trained volunteers, all of whom are believers. Thus at all levels the YCPC is first and foremost Christians demonstrating the love of Jesus Christ to women in crisis because of pregnancy.

The YCPC serves the entire community, regardless of race, creed, nationality, age, or marital status. Our services are confidential. Whenever possible, we attempt to reach out to the families and fathers involved.
